NATIONAL BAR ASSOCIATION'S ESSAY TOPIC

The highest courts of the states of California, Massachusetts and Connecticut have ruled in favor of marriage between same sex couples based in significant part on the U.S. Supreme Court decision *Loving v. Virginia*, that repealed bans on interracial marriages. These state supreme courts found that the prohibition on same sex marriages, even with domestic partnership laws, denied gay men and women equal protection under the law. The ban on same sex marriages was a stigma against gay men and women similar to the way in which the ban on interracial marriages was a stigma against African Americans.

NATIONAL BAR ASSOCIATION'S ESSAY QUESTION

If Dr. Martin Luther King Jr. were alive today, would he advise President Barack Obama to support or oppose legalizing same-sex marriages?
